How can Frontline help me as a Professional?

If you work in the health and wellbeing sector, delivering services or helping people to access support, why not join the 828 doctors, nurses, council officers, social workers, mental health workers, service providers, teachers and community volunteers who are already using the system.

Visit any Frontline website or download the 'Frontline Professional' App and click 'register' or call 01799 618855.

- **A library of services that is quick and easy to search**
- **Every service operates in the local district**
- **Make secure referrals to services and get real time responses**
- **Easily update your own details on the system, reset passwords etc.**

If you are interested in using Frontline in another district please contact us on

01799 618855

or email info@essexfrontline.org.uk

Frontline is funded by Essex County Council and NHS West Essex Clinical Commissioning Group. This community project is managed by Uttlesford Citizens Advice – company registration no. 3771142. Charity registration 1078222.
